FRIENDS OF CHILDREN IN INTENSIVE CARE

## “PNOE-Friends of Children in Intensive Care”

A non-profit organization was founded in 1991 in Athens – GREECE, by a dedicated group of parents, pediatricians and volunteers. It is supported by contributions from individuals, companies, events, donations in memoriam etc.

The principal goals of  
“PNOE”  
are :

1.

- ❖ Donate *medical equipment* to 13 Neonatal (NICUs) 6 Pediatric (PICUs) and to Intermediate Pediatric Care Units (IPCU) throughout Greece

2.

- ❖ *Establish new* Pediatric Intensive Care *Units* and Intermediate Pediatric Care Units in State and University hospitals

### 3.

- ❖ Support *newborns, childrens* and their families while they are hospitalized *in NICUs or PICUs.*

4.

❖ Provide *rehabilitation and support services after discharge of the baby or child*

## 5.

- ❖ Provide basic training in Cardiopulmonary Resuscitation (*CPR - BLS*) to the general public and *First Aid*

# *Medical Equipment*

Since 1991 we donated medical equipment to all Neonatal and Pediatric Intensive Care Units throughout Greece such as: incubators, oxymeters, humidifiers, respirators, fluid pumps, syringe pumps, central monitoring stations for vital functions, monitors, ultrasound machines, resuscitation devices, phototherapies and several consumables (gauze, needles, masks, gowns etc,etc.)
