DISCLOSURES

The Critical Care Canada Forum (CCCF) has a formal policy requiring all authors and presenters to inform attendees of any potential conflicts of interest (COI). All potential COI that we are aware of are disclosed below.

1. Do you have an actual or potential conflict of interest in relation to this program?
   Please list any organization(s) with which you have had a relationship within the past two years and briefly describe the nature of each relationship.
   Please include the following:
   Direct financial payments, including honoraria
   Membership on advisory boards or speakers' bureaus
   Funded grants or clinical trials 4) Patents related to a drug, product, or device
   Any other financial or professional investments or relationships that could reasonably be perceived by a well-informed participant as having the potential to influence the content of this educational activity
2. I intend to make therapeutic recommendations for medications that have not received regulatory approval (i.e. "off-label" use of medication). Note: You must declare all off-label use to the audience during your presentation.*
